

ZONE INDIA PRESIDENT MESSAGE

JCI Sen. Anish C.M. Mathew

Dear Leaders of Zone,
Greetings from your National President

While I use this page to thank each one of you for having chosen me to lead JCI India in 2020, I sincerely hope that just like the specialty of the number 2020, the year also turn out to be special in all aspects.

As the National President of the ever vibrant NOM JCI India, I wish that all our projects and programs be focused towards 'Bridging the Gap' of all the economical, religious, communal & social disparities in the society. I wish that the objective of all LOMs be not just award oriented, but in attracting more young blood into our organization. I wish to see our projects creating a huge impact in making the lives of people around us BETTER. Always keep in mind that after each PR Programs 2 questions should come from general public i.e. 1) what enabled you to make us inspire and empower like this? 2) How can I join JCI?. All your PR Programs should design to generate those questions from general public.

I wish that we should be able to network BETTER between our own members, creating a huge space and opportunity of business/professional expansion. I wish that irrespective of the State/Zone, a service or product should easily be made available to the needy through this amazing network.

In this special year 2020, let me sincerely urge each of our Zone/LOM Leaders and members to drive towards taking our membership count to the magical figure of 52020! I am sure that the will and might of all our members is more than sufficient to help us create this growth in the first half itself. And finally, let JCI continue to be the common platform for us to celebrate our friendship and togetherness and in helping us to BE BETTER...!!

Zone Directory is a very powerful tool to communicate with the members of the Zone, up to grass root. I am extremely happy that your Zone is publishing online app /website with all required information and details. Congratulation to ZP JC Valluri Srinivas and Zone Director Directory Jc Gautam Kumar Agrawal for your efforts to visualize such a beautiful Directory to members.

Let me assure you, Team JCI India -2020 is available for support and guidance at all times and let's together bring success to our organization and to all of us. Yours in service of JCI India and wishing you all the very best for the year 2020.
